SUMMARY

As a dedicated person, my goals include contributing to the success of the team while also growing my skills and establishing and maintaining a high quality of professionalism among the experts in the field.

WORK EXPERIENCE

Intern - Admin Assistant

Jan 2025 - April 2025

AIA Philippines - Central Luzon Direct Unit
(formerly known as Philam Life)

- Assisted in the preparation and creation of insurance proposals using AIA's internal system (iPoS – Interactive Point of Sale).
 - Provided support to financial advisors and clients by handling proposal documentation and ensuring accurate data input.
 - Contributed to digital content creation by editing photos and promotional materials using image editing tools (e.g., Photoshop, Canva).
 - Supported client engagement activities by preparing digital presentations and assisting in follow-ups.
 - Gained exposure to IT systems used in the insurance industry, improving understanding of tech-enabled sales processes.
-
